WORK EXPERIENCE

User Experience Designer | GeekyAnts

July 2021 - Present | Bangalore

- Driving user-focused design solutions through project leadership, requirement gathering, brainstorming facilitation, and client consultancy, ensuring alignment with user needs and business goals.
- Crafting adaptable solutions catering to both B2B and B2C markets.
- Collaborating across teams to gain cross-functional perspective, review design strategies and visualize my designs for critique.
- Guiding junior designers and facilitating workshops.

Associate Software Developer | SRKay Consulting Group

June 2018 - April 2019 | Surat

- Developed cross-platform mobile application in React Native and worked with cross-functional team.

ACHIEVEMENTS

Design X Social : Global Innovation Challenge, UX India Conference 2020

Selected as one of the top 10 finalists out of over 250 entries, with the honour of presenting the project at the conference.

VOLUNTEER

Design Mentor | adplist.org

January 2023 - Present

Working part time and providing community members with mentoring services such as portfolio reviews, career guidance, practise interviews, and general assistance in resolving their doubts.
